CAKE

&

COGNITION

A LUNCHTIME DISCUSSION SERIES
ON OUR EXPLORATION OF OTHER
PLANETS AND THE SEARCH FOR LIFE

Week 5: Wednesday 28th June, 1pm
Room 1A, School of Mathematics and Statistics

The astrophysicists, geoscientists, philosophers and social anthropologists of the St Andrews Centre for Exoplanet Science have been tackling a series of deep, difficult questions about humanity's exploration of other worlds all last month. Now, we'll be judging their baking and their research proposals. Bring your lunch, your baking efforts and your best ideas!

This Week:
Bake-off and Proposal Competition!
